Osnovna škola Bartola Kašića, Vinkovci, Croatia
Comenius project WET, Water Europe's Treasure

September 2012
Logo Competition for the Project
The first activity for the students was designing the logo for the project. Students designed more than hundred logos (with their Art teacher Ivana Zulumović). After the exhibition at school, the best logos were chosen and taken to the coordinators' meeting in Lindau.

The winning logo is from Cyprus.
